IT INN MEN

Countess Alexandra Tolstoy The Tolstoy Foundation, Inc. 989 Eighth Avenue New York 19, New York

Dear Countess Tolstoy:

Many thanks for your latter of 18 December 1957 by means of which you call my attention to Dr. Eugene A. Carpovich and his proposal for a Russian-English Polytechnical Dictionary. I am having my people look into the proposal both for the Agency and others in the Government, and I shell let you know our decision.

Sincerely,

Allen W. Dilles Directer
